Report of the Board of Territorial Auditors

to the Second Legislative Assembly

of the Territory of Arizona.

The Board of Territorial Auditors respectfully report that in accordance with the provisions of Chapter 20, of the Revised Code, their board was duly organized upon the 11th day of December 1864 at Prescott, all being in attendance. The oath of office was drawn and subscribed to before Nezekiah Brooks Judge of Probate for the County of Yavapai.

It was voted

That the regular meetings of the Board be held at the office of the Governor in Prescott, on the last Monday of each month at 10 o'clock in the forenoon.

That a special meeting of said Board may be called at any time by the Governor who shall give a cause to be given, three days notice of the time and place of said meeting, unless all the members are present and can attend.

That a majority of said Board shall constitute a Quorum and shall determine all questions and transactions drawn on the Territorial Treasurer by said Board and signed by a majority thereof shall be valid.

That all papers filed in any case

the Board shall constitute a part of the record, and that all material testimony before the Board shall be reduced to writing, and filed with the other papers in the case. That the Secretary of the Territory be authorized to procure the necessary blanks and books of record.

The following is a list of the claims received and allowed by the Board up to and including their last meeting on the 6th of the present month - The record of each upon the books of the Board is kept in full and in each case the voucher is filed -

The Board have made no charge of any kind against the Territory for their services - although empowered to do so by Sec. 11. Chap. 22 of the Laws of 1861.

The absence of the Governor # and the great pressure of duties upon the hands of the acting Governor will account for the presentation of this report at the beginning of the session of the Legislative Assembly

called from the meeting of the Board this day

I do now respectfully submitted, with the remark that the books of the Auditor are at all times open to the inspection of the public, and that in the allowance of claims they have in each case endeavored to strictly and entirely comply with the law-
